

Sinclair Broadcasting has decided to force their stations to air an anti-Kerry documentary days before the election. Sinclair uses the public airwaves and is obligated by law to serve the public interest. It is like another corporate giant deciding to air "Fahrenheit 9-11" and forcing their stations to do it.

This is completely one-sided, not "news" but rather, "propaganda" and it "hinders" the democratic process. I protest this use of public airways.

Sincerely
